

### Adult Ceramics - Virtual

Teaching Artist: Chris Torrez

or

Lisa Bernal-Brethour

25-lb bag of Cone 10 Clay

- pick type based on specifications below

Class / Project	Clay Type - CONE 10	Reason
Hand-building	Soldate 60 <u>or</u> Rod's Bod <u>or</u> LB Blend <u>or</u> B-Mix with Sand <u>or</u> B-Mix Cone 10 <u>or</u>	Clays with grog or sand are stronger for hand-building. B-Mix is a smooth, white clay. The others are tan colored.
Tiles	B-Mix Cone 10 B-Mix with Sand	B-Mix is smooth for details and white for color, B-Mix with sand is strong for larger tiles.

#### Additional Required Materials and Tools:

- 1 Pottery Tool Kit (see picture)
- 1 small empty, clean plastic container with a lid for storing slip (ex. a recycled 8oz sour cream container)
- Dust Mask to be used when sanding bisque
- Rolling pin - can usually be found at 2<sup>nd</sup> hand stores
- Small bowl of water to use with the sponge
- Thin plastic to cover work in progress. Thin material to cover work to slowly dry.
- Closed toe shoes for safety when on-site

### Optional Tools:

- Canvas covered board or similar item to prevent clay from sticking to the work surface
- Old fork for scoring clay.
- Pencil for marking clay.
- 1 Sure Form (rasp) for trimming leather hard clay (see picture)
- 1 zip-lock bag or tumbler/mug to hold tools
- Apron or old t-shirt to help protect clothing
- Hand towel
- Water spray bottle
- Strong bag clip to keep clay bag sealed
- Stamps and items with texture to press into the clay

### Drop Off:

These classes include contactless drop off for firing and socially distanced glazing. Your instructor will communicate these dates to you on the first day of class and through email.

Please bring with you:

- Box for transporting clay projects
- Soft towel or piece of foam for the bottom of box to protect work.

Please contact us if you require assistance dropping off your work.
